

Research & Development RA S.A.

## **FOR IMMEDIATE RELEASE**

### **RESEARCH & DEVELOPMENT RA SA TO VISIT THE US IN JULY 2016 WITH AN INTERESTING BUSINESS AGENDA**

Buenos Aires, January, 2016 – Research & Development RA SA has recently confirmed attendance to the Clinical Trials Innovation Programme (CTIP) 2016 (<http://worldbil.com/CTIPUSA/>), an exclusive, invitation only event intended for executives from Pharma & Biotech industries to forge strong and lasting business relationships with CROs and other vendors.

The event will take place in Miami, Florida, on the 27<sup>th</sup> and 28<sup>th</sup> of July.

Also, Research & Development RA SA will be visiting prospective and current clients located in the east coast of the United States.

*If you wish to learn more about the clinical trial opportunities in Latin America or wish to schedule a meeting with us for a face-to-face discussion of opportunities tailored to your company's clinical pipeline, please reach us at [pabliuboschitz@rd-latam.com](mailto:pabliuboschitz@rd-latam.com).*

*Research & Development RA S.A. ([www.rd-latam.com](http://www.rd-latam.com)) is a CRO based in Buenos Aires, Argentina that was created to provide high quality clinical research services to the pharmaceutical and biotechnology industries covering the most important pharmaceutical markets in Latin America. Through our more than 20 years of experience, we are committed to the success of our clients' clinical programs in the region.*
